

2015-2016 NORDIC CHAMPIONSHIP TRIAL RULES

DEFINITION OF A TRIAL

A Trial is an event in which the skill and regularity of the riders form the basis of the results. Sections are included within the course, where the skill of the rider negotiating them is observed and penalties given. In addition, a time limit is set for part of, or for the whole course.

The course may consist of cross-country terrain, country lanes, and woodland tracks etc.

The Championship will be organized according to the date set at the Annual Meeting of the Nordic Motorsport Council (NMC) of the previous year. The date will preferably be in August, not colliding with European or World Trial Championship rounds. The Individual Championship will take place on the Saturday, followed by the Team Championship on the Sunday.

TL 01.1 GENERAL

The NMC has established the Nordic Championships according to the rules of the FIM Europe Sporting Code and the other Codes as well as this appendix.

The Nordic Championship is open to riders from the year they turn 13 years, and are from a FIM Member FMN.

Riders from the year they turn 13 years of age are allowed to ride a bike with maximum cylinder cubic of 125cc.

Riders of at least 15 years of age at the date of the event are allowed to ride a bike with a cylinder greater than a cubic of 125cc

The Junior Nordic Championship is restricted to riders from the year they turn 13 years of age and who are under, or attain, 18 years during the current year and are from a FIM Member FMN.

The 40 Nordic Championship is restricted to riders who are 40 years during the current year and from a FIM Member FMN. These riders will pass through the Section regardless of passing particular arrows.

The Ladies Nordic Championship is open to riders from the year they turn 13 years of age, are from a FIM Member FMN.

One or more Open Classes should be included in each event for riders from the year they turn 13 years of age who will compete either in one of the other classes section route or a own.

NB: There is no overall classification for these class/classes.

TL 01.1.1 NMC Standards for Organizers

The NMC has established the Nordic Trial Championships according to the rules of the FIM Europe Sporting Code and the other Codes as well as this appendix. However, exceptions to the use of the FIM Europe Codes are written in this appendix.

TL 01.1.2 Meeting with the Organizers

A meeting will be held between the organizers and the Jury President at 10:00, one day prior to the event. This meeting shall include the following persons: the President of the Jury, the Clerk of the Course, the Secretary of the meeting, the person responsible for the Sections. Other persons who the Jury President or the Organizer feels appropriate may attend.

TL 01.2 JURISDICTION AND SAFETY

A Nordic Jury composed of a Jury President appointed by the FMNR, a Jury Member appointed by the FMNR and a Jury member recruited from the licensed delegates, will supervise the event. The licenses of the Jury must be similar to the requirements of a national event of the actual FMNR. A Jury Member may not be registered as an Assistant.

Each FMN who has a rider competing in the event may send a Delegate (Licensed National Clerk of the Course) to attend all open meetings of the Jury. The Jury Delegate can report any observations to the Clerk of the Course or at the open Jury meetings. The Jury Delegate has no jurisdiction over the Observers or other Officials and must not discuss any concerns directly with them.

The national medical codes can be used, but the minimum medical requirement are:

- Medical doctor or certified emergency personnel from rescue service or similar has to be present.
- An emergency ambulance must be present on the event within a minimum of 20 minutes
- Room for examination of patient.

TL 01.3 COURSE

The route should be in one direction only. If, in exceptional circumstances, two-way traffic is unavoidable, then special safety measures must be taken, e.g. separating the track or

positioning of officials. It must be possible for the riders to complete the course (from the paddock to all sections and back) without the use of public roads (unless closed for general traffic with permission from the authorities and guarded by police or officials).

To be classified as a finisher the rider alone shall ride or push his machine for the entire distance of the Course, unless the organizers have authorized other assistance or authorized deviation.

TL 01.3.1 Distance

The length of the course for each lap shall not exceed 20 km.

The Trial shall consist of 3 laps for Championship & Junior classes, a minimum of 2 laps for the other classes.

TL 01.3.2 Course marking

The course shall be marked with direction arrows as shown below:

Within the square marked ? shall be written the number of the section to which the arrow directs the riders. All arrows must be made of waterproof material.

During the event the marked route must be strictly followed. A rider who leaves the route must, under penalty of disqualification, regain the course at the point where he left it.

The course shall be marked the day before the event and the riders will be allowed to follow it by motorcycle under their own responsibility during the scheduled inspection of the sections (see TL 01.7.1).

For safety reasons, there shall wherever possible, be a route marked for spectators, which is different to that marked for the riders.

TL 01.4 SECTIONS

The number of sections shall be 12 per lap.

For each class the sections must be designed so that at least 1/3 are of an easy, medium and difficult level. Each section shall be completely independent of other sections.

Sections constructed predominantly with industrially processed elements or materials should be avoided and can eventually be abandoned by the jury.

Each section must be clearly numbered in consecutive order and the rider must, under penalty of **10** points, attempt the sections in numerical order.

Each section shall have signs clearly identifying the location of both the "Section Begins" and "Section Ends". The Sections must be numbered at the time of the Rider's inspection.

A machine is considered as being in a section when the front wheel spindle has passed the "section begins" sign and until the time when the front wheel spindle passes the "section ends" sign.

The color codes for the various classes is as follows:

Championship class, Red

Championship class Junior, Blue

Championship class Women, organizer is free to choose a color separate from other classes
Class Over 40+, Green

International classes, organizer is free to choose a color separate from other classes

Where it is found necessary to abandon any section owing to "force majeure" before all riders have passed through then no penalties shall be incurred in this section by any rider. If there are riders in the queue for this section, then the queue should be formed in the same order at the next section. The total time for the event shall not be modified in the event of any section being abandoned during the Trial.

If any section proves during the first lap to be impossible for all riders (all 5 points) that section shall not be modified for the next lap but may be abandoned at the conclusion of the lap. The penalties incurred by any rider in the section shall be included in that rider's total penalty points for the event.

TL 01.4.1 Section Boundaries

The sections shall be bounded by natural obstacles and strong, easily visible waterproof tape, securely fastened to stakes or trees.

The stakes must be securely fixed to the ground and be spaced close enough to each other to prevent major movement of the tapes. The tape must be at a minimum height of 10 cm above the ground and below a maximum height 30 cm. The actual width of the section defined between the tapes shall be at least 200 cm.

When a tape is used as an external limit of a section or as an internal separation within a section, then the following shall apply. Breaking the tape or passing over a tape so that a wheel touches the ground on the opposite side shall be considered as a failure.

The actual width of the section may be reduced by the use of "gates" indicated by markers, as shown below, with the minimal width between these markers being 120 cm. The Arrows within the gates shall be colored red for the Championship Class blue for the Junior Class.

Riders in the Nordic Championship and Junior Class must travel only between the "gates" for their Class. A rider who passes between the "gates" of another Class – in whatever direction irrespective of if used that day – will be classed as a failure i.e. 5 points. If any tape or any marker or stake is broken or moved then it must be replaced before the passage of the next rider. The Clerk of the Course must ensure that there is an adequate reserve supply of tape and markers available at each section.

TL 01.5 TIME ALLOWANCE AND CONTROL

TL 01.5.1 Time measurement

In order to carry out his duties, the time control official shall have in his possession an instrument which registers to the tolerance allowed.

The time control official shall have at his disposal a reserve chronometer which registers to the tolerance allowed. Riders must accept any type of timekeeping system approved by the Jury.

TL 01.5.2 Individual Time Allowance

The overall time allowance for each rider to travel from the start to the lap time control on the final lap subject to TL 01.5.2.1 shall not be more than 5:30h.

Irrespective of the actual time a rider starts, the scheduled time for all finishing times will be retained. Time penalties for late starting or late arrival at any other time controls are given in TL 01.10.1.

TL 01.5.2.1 Increase in Individual Time Allowance

The Jury may increase the rider's time allowance by up to a total of 20 minutes. In such a case all riders must be informed of this alteration before the start.

TL 01.5.3 Starting Time and Control

The Organizer must fix the starting time so that the last rider is able to start no later than 11:00. The Start Time Control shall be at the starting place with the riders starting from a platform.

TL 01.5.4 Lap Time Control

The lap time control, clearly marked and well visible, shall be located immediately after the final section. Riders will remain subject to the restrictions on repairs and replacements of

parts (see TL 01.9.4) until the machine is released by the organizer at the finish point. To travel from the lap time control to the finish point each rider may be allocated a set period of time. This time allowance will be set by the Jury and displayed on a notice at the lap time control. Any rider who exceeds this allowance shall be liable to + 5 points.

TL 01.5.5 Time allowance in sections

The time for riding a section is limited to 1 minute and 30 seconds. Time measurement starts when the front wheel spindle crosses the starting line of the sections and stops when the front wheel spindle crosses the stopping line of the section.

TL 01.6 PRACTICING

Practicing in the sections of the Trial is forbidden under penalty of disqualification.

TL 01.7 RIDERS INSPECTION OF THE SECTIONS

TL 01.7.1 Inspection of the Sections prior to the event.

Inspection of the sections are NOT allowed prior to the start of the event.

TL 01.7.2 Inspection of the Sections during the event.

The riders are allowed to inspect the sections on foot during the event.

Minders are NOT allowed inside the sections unless given permission by the observers.

01.8 ADMINISTRATION

The Administrative Control shall take place the day prior to the event according to the timetable included at the end of this document.

TL 01.8.1 Riders' Licenses

Riders must be in possession of an National License from the own FMN. ~~For events organized by their own FMN, a rider may use a National License.~~

TL 01.8.2 Submission of entries

The Supplementary Regulations must be sent by the organizer to the Nordic FMN's at least 2 Months (60 days) prior to the event.

National teams in Championship Class, Junior Cup, Over-40 Class and Womens Class has to be submitted by each FMN to the organizer at least 14 days prior to the event.

A rider wishing to enter an event must send to the organizer a completed entry form at least **14 days** prior to the event. **The organizer will be able to accept entries arriving after the closure of entries, but the entry fee for rider and assistant will then be doubled. The dates for closure of entries will be stated in the Supplementary Regulations (SR).**

Riders must state on the Entry Form whether they wish to ride the Championship Class, Junior Class, 40+ Class, or the International Class. A rider who has previously ridden in the current year in one class, may change class, but cannot later revert to the original choice.

If entries are to be limited, the maximum number to be accepted and the method of selection must be stated in the Supplementary Regulations (SR), if prior approval by the NMC meeting has been given. Riders entering for the Championship class shall always be given priority of entry followed by the riders in the Junior Cup and then the Over-40 Class.

No entries shall be accepted after the closing date for receipt of entries as stated in the Supplementary Regulations. In case of a rider entry not being received by the closing date of entries due to administrative problems, the Jury President must satisfy himself that the rider concerned is fully licensed and authorized to compete. In such circumstances, the Jury President decision shall be final.

The entry of a particular make of motorcycle and nomination of a rider having been accepted cannot be changed unless application in writing is made to the Clerk of the Course, giving the reason and permission obtained. Detailed instructions are stated in the SR. The Organizer must confirm, by e-mail, to the FMN of each rider who submits an entry whether the entry is accepted or not.

TL 01.8.2.1 Non-participation in an event

Any rider whose entry for an event has been confirmed to his FMN and who subsequently does not intend to participate must send a valid reason to the organizer by e-mail at least 24 hours prior to the Administrative Control. Any rider who does not participate in the event, or who has not submitted a valid reason, will be reported by the International Jury to the his/hers FMN, who may impose a penalty.

TL 01.8.2.2 Team participants and categories

TL 01.8.2.2.1 Participants

All categories are open to teams with riders meeting the criteria of these rules and holding a valid trial license issued by their FNM. The competition is open to teams representing one of the following FMNs: DMU, NMF, SML, MSI, LaMSF, LMSF, EMF and SVEMO.

TL 01.8.2.2.2 The Nordic Team Trial Championships

COMPULSORY NMC STANDARDS FOR ORGANISERS OF NORDIC TRIAL CHAMPIONSHIP

1. FIRST AID-EMERGENCY FACILITIES

Shall be in accordance with the FMNR national rules.

2. SANITARY SERVICES

The organizers of the event must accommodate for a paddock / camping area with toilets, showers (separate for women). Offering electricity is optional and has to be stated in the supplementary regulations as well as stating pricing per vehicle. They must also provide facilities to dispose of rubbish, oils, detergents etc. An area to clean the motorbikes must also be provided which must comply with the FIM Environmental Code.

3. SECTIONS AND COURSE

The Sections must be completely marked out (including numbering) and available for inspection by the Jury President at least 24 hours before the scheduled start time. Regarding the safety, severity and length of the sections the Jury President shall make the final decision. The International Jury must inspect them, at the latest, the day before the competition. During the inspection of the sections by the International Jury, the organizer shall ensure that materials and personnel are available to correct immediately any changes decided.

The spectator access to the sections shall be marked clearly and whenever possible using different routes to those used by the riders to ensure the smooth running of the event (without hindering the participants).

It must be possible for the riders to follow and complete the course (from the paddock to all sections and back) without the use of public roads (unless closed for general traffic with permission from the authorities and guarded by police or officials).

4. SECTION SCORE BOARD AND BACK UP SCORE SHEET

A back up score sheet shall be completed at each section showing the scores of all riders. This back up sheet shall be sent immediately at the end of the event directly to the Results Manager.

5. NOTIFICATION DOCUMENT

A Notification document will be supplied to all organizers and this must be completed by the Section Observer for any Correction, or Additional Penalty, that may be awarded. To be valid this document must be signed by the Observer, endorsed by the Clerk of the Course and handed to the Results Manager within 60 minutes of the incident.

6. OBSERVER IDENTIFICATION

The observers must wear uniform (bibs, caps, overalls, etc), so that the riders are able to identify them clearly.

At each section, at least one of the Officials shall have followed a specific training for observer.

These officials should remain at the disposal of the Clerk of the Course until the end of the time limit for protests.

7. PADDOCK

The riders paddock shall:

- Be situated on a flat surface;
- have sufficient area;
- have opened roads to assure, at any time, passage for vehicles to leave the paddock;
- have separated sanitary facilities for men and women, including toilets and

showers;

- have a full supply of drinking water;
- be provided with sufficient rubbish containers. The organizer should take care of the cleaning service;
- be provided with containers to receive used oils and lubricants;
- be provided with a special place for the cleaning of the motorbikes (according to Art. 6 of the Environmental Code);
- have a notice board with all the necessary information for the riders.

The installations shall be fully in place for the opening of the Paddock, which must be established on the Thursday prior to the event. If the Paddock is to be open to riders before this time then the actual day of opening and facilities available, (Toilets, Drinking water, Electricity) must be stated on the Supplementary Regulations together with any nightly rate that may be charged.

Note: From the official opening time of the Paddock to the end of the event, the facilities are to be freely available, without charge, to all competitors.

There should be a person responsible for the Paddock and for its general running. The Paddock should wherever possible be located next to an inhabited region and services: hospital, supermarket, pharmacy, service station, etc.

8. NOTICE BOARD

A prominently placed "NOTICE BOARD" shall be installed in the paddock from the opening day, upon which the following information shall be displayed.

- A map of the local town indicating the location of the following: Hospital/Medical Centre, post office, telephone, police station, supermarket and tourist information office.
- Directions to and times of the Practice Area.
- Time and place of the first Jury meeting.
- Time and Place of the Technical and Administrative Controls.
- Time at which the riders may inspect the Sections.

At the appropriate time the following information shall be displayed: Entry list, starting order, provisional results. All information shall be in both official languages.

9. PRACTICE AREA

A practice area (sections) of adequate size must be installed. This practice area must allow riders to practice in accordance with the rules. The characteristic of the terrain should at least partially correspond to the sections used in the event. The area has to be marked off clearly, and the access must be marked. It must be possible for the riders to access the practice area at all times that it is open without the need for a driving license or a registered bike.

It is recommended that this area be open to all riders 3 days before the event and the exact date shall be published in the Supplementary Regulations.

It is forbidden to provide sections for the event in this area unless they are clearly marked and fenced prior to the opening of Practice.

10. STARTING TIME

The organizer must fix the starting time to satisfy the requirements of the appropriate rules.

10. STARTING PLACE

The starting area shall allow the riders to travel without being hindered by the spectators. Riders shall start from a platform. A loudspeaker should if possible be installed to call up the riders in the National language.

The starting rostrum should be nicely decorated. A notice board with the latest information for the riders shall be installed just next to the Starting area. The following information shall be displayed: Entry list, Starting order, Provisional results, Official hours, Decisions of the Jury, etc...

A notice board with the results should be installed visibly in order to have clear information.

11. PARKING FOR PRESS, JURY, OFFICIALS

Separated parking places for Press, Jury Members, Delegates and Officials must be installed and specially marked.

12. JURY ROOM

For the meetings of the International Jury a room of adequate size must be prepared to ensure quiet working conditions for the Jury.

For the meeting between the Jury President and the organizers the Clerk of the Course must be in attendance together with the person responsible for the Sections and the Secretary of the Meeting.

13. PRESS ROOM

If possible a separate room for press should be offered

14. ADMINISTRATIVE AND TECHNICAL CONTROLS

The administrative and technical controls shall be carried out at the times specified in the appropriate rules.

15. ADDITIONAL INFORMATION

The following information shall be enclosed with the Supplementary Regulations.
